Dalana Dance Studio

Studio Policies 2019-2020

Dance class is education and fun, however, an important part of class work is developing an attitude of discipline and respect for teachers and fellow students. We trust that following our classroom etiquette will provide an environment whereby classes at **Dalana Dance** will be a pleasure for all concerned.

Please note the following guidelines regarding all classes:

1. We request that students carefully observe our dress code outlined in this booklet. Specifically **NO STREET SHOES IN STUDIO**, dance shoes only!! Sneakers used for hip hop should not be worn outside.
2. No cell phones are allowed in the dance studio classroom. Exception: Adult student with an "on-call" work position. (must be on vibrate).
3. Dance students only in classrooms, no spectators, and no children are allowed in adult classes. (Parents are allowed to observe in 3-5 year old classes). Out of town guests may request to visit at any time throughout the year. No one else is allowed to sit and watch during regular class time without prior permission from Dalana.
4. Water Only allowed in classroom (**NO SPORTS DRINKS OR FOOD** in classroom EVER)
5. Do your very best at arriving for classes on time to receive full benefit from your class time and not to be disruptive to class already in session.
6. All students are encouraged not to leave the room once class has begun. Please allow for appropriate restroom use prior to class. Very young children will be treated as the need arises. Preschool children may need a parent's attention from time to time for various reasons such as bathroom assistance. Please do not leave the waiting room when very young children (Ages 2-4) are in class without having another parent or adult responsible during your absence. We make every effort to have all children feel safe and cared for in a loving and inspiring learning environment.
7. School age children, teens and adults: please practice respect. While we want you to have fun, please refrain from socializing in the classroom as it is disruptive to both the instructors and other students. Please come early or stay late to enjoy friends in the waiting area. Please honor your teacher and fellow students by giving full attention and cooperation. You will be advised if we feel any student is not well adjusted to the classroom environment for any reason over time.
8. During class if a student complains of being ill or sustains an injury and cannot participate the instructor will send them to the front desk where the parents will be notified if not on the premises.
