A green, glittery arch with a horizontal brushstroke base. The arch is composed of many small, bright green dots, giving it a sparkling appearance. The base is a thick, horizontal brushstroke of the same green glitter, with some white highlights and a slightly irregular, hand-painted look.

Special thanks to all of our
amazing dance moms and
dads for volunteering to
assist our dancers in
preparation for today!

We dedicate this show to the precious lives lost in the tragic
school shooting in Uvalde Texas.

The Season is not OVER! No classes next week but classes
happily resume June 4th and run through the 16th.
